

Tetrosyl

Power Start

Helps engine start in cold weather

Power Start is a specially formulated product that helps start cold engines and weak batteries, even in harsh weather conditions, such as persistent frost.

It helps protect engine parts against excessive damage and prevents deterioration in cold climate conditions whilst lubricating the upper cylinder ring.

Prod. Code: PSA302
Barcode: 5010373895139
Size: 300ml
